TRAIN DE LUXE

MAJESTIC  IMPERATOR

## TRAVEL THE IMPERIAL WAY

A century ago, to travel by luxury train through the scenic splendor and ancient cities of Europe was part of the special joie de vivre of the “fin-de-siècle.” Journeys with the great trains of the past remained justifiably unforgettable: The comfortable compartments and elegant interiors were as much a part of the travel experience as the perfect service with exquisite dinners and culinary highlights. Created for the European aristocracy, these trains still convey an era of luxury. Travelers find a perfect expression of this on one of the most beautiful
